Opinion Committee

Dear Opinion Committee:

I have enclosed a copy of a letter from an attorney representing the Bridge City Independent School District. The District has requested an opinion regarding the situation created by a school board member who resigns, but then returns to the Board before any new member is appointed to fill the vacancy. This information is needed for any possible future situations.

As you can see, the school district will be most happy to provide any assistance your office may request. Likewise, please let me know if I can be of help.

I look forward to hearing from you at your earliest convenience.

Sincerely,

A handwritten signature of Ron Lewis, consisting of a large, stylized 'R' followed by a horizontal line.

Ron Lewis, Chairman
House Committee on County Affairs
